

Cold Wars 2010

March 11 – 14, 2010

Event Registration Form

Instructions: Please circle or otherwise clearly mark your choices below. If any information is omitted your form cannot be processed and must unfortunately be returned to you without action. However, if there is a reason why certain information cannot be provided (e.g., it's a seminar and uses no game rules!), please explain on the back of the form and the convention's Events Coordinator will make an exception if at all possible.

Please mail this completed form to **Bob Van Der Kamp, 7 Plymouth CT, Mount Holly, NJ 08060**, phone (609) 668-3557. You can Email Bob if you have any concerns or questions at events@coldwars.org.

GM point of contact information will be held in confidence by the Cold Wars 2008 staff and will **not** appear in the PEL or Program unless the GM uses the "Other Comments" section to authorize release of that information.

If an event will take place more than once, please do **not** submit separate forms for each repetition. Just complete the form for the *first* presentation of the game, and cite the dates and times of "repeats" on the back of the form!
